

## Grant Thornton Société d'Avocats in the rankings of best law firms 2023 by "Le Point" magazine

17 May 2023

For the fifth consecutive year, the magazine *Le Point* and the survey institute *Statista* have published their ranking of the best business law firms in France. More than 299 firms were evaluated on their level of service in pre-defined areas of expertise. The excellence of *Grant Thornton Société d'Avocats* was recognized in two of these areas:

- Tax Law – 4 stars
- Employment Law (employers) – 4 stars

This is continued recognition of the quality of our expertise as a firm.

*Grant Thornton Société d'Avocats* would like to thank not only its clients and colleagues for the trust they have shown and for the recommendations made by them in the context of these rankings, but equally its team members and partners for their involvement and commitment in the everyday line of business.

The rankings are available and accessible in their entirety on the website of the magazine *Le Point* ([access to website](#)).

This new distinction in the rankings further reinforces our firm's unique approach and confirms the relevance of its model of multidisciplinary support provided to our clients. It complements the recognition that our tax, legal and employment teams receive each year in the rankings of the major market guides such as the Legal 500 (EMEA, Paris) and the IFLR 1000.
