### Who we are

Grant Thornton Limited (Channel Islands) is a member firm of Grant Thornton with offices in Guernsey and Jersey. Both offices have been established for more than 35 years with a history of providing top quality professional services to a wide range of corporate and private clients that operate in a variety of different sectors both locally and internationally.

### Where we are

We have offices in both Guernsey and Jersey where we employ eight partners and more than 50 staff. As leading finance centres our geographical position makes us easily available to clients in the UK and Europe.

### How we work

We focus on a director led service for all of our clients with a strong belief that excellent service and long term client relationships are driven by accessibility, responsiveness and a total understanding of our clients' needs and business models. Being located in the Channel Islands gives us a deep insight into both the locally based markets and the complex finance industries based here.
