Nelson Petrosyan
Managing partner

“Our clients rightly expect us to provide the highest quality and level of service from Grant Thornton. We see our goal in helping our clients plan and achieve their long-term goals and sustain the growth of their businesses. We offer our clients value-added outputs, ensuring high quality services with experienced professionals, supported by sector expertise, international capability, global methodology with supporting state of the art software and industry oriented programmes.”

Nelson Petrosyan

Who we are

Grant Thornton Georgia is a member firm of Grant Thornton International Ltd, one of the world's leading organisations of independently owned and managed accounting and consulting firms. Our firm offers partner led and personalised services with the highest professional standards.

Where we are

Our office is based in the capital Tbilisi.

How we work

Grant Thornton is a multi-professional group of public accountants and auditors, specialist advisers in finance, business and management, as well as tax and legal advisers. We unite experienced international and local professionals working at our office in Tbilisi.

Supported by the depth of the international structure, the strength of the brand and the high standards of quality in the network, we deliver services which meet our client's highest expectations

What we do

We provide audit, consulting services and specialist advice to enterprises, national and commercial banks, financial institutions, governmental, local and international organisations.

Assurance

- agreed upon procedures
- audit of financial statements prepared as per International Financial Reporting Standards (IFRS), US GAAP and other financial reporting frameworks
- review of financial statements.

Tax

We advise our clients on all aspects of corporate tax strategy development and tax planning, tax issues arising from company formation or acquisition, providing overview of local and international perspectives.

Advisory services

Business risk services

Advising businesses on the effectiveness of their governance, risk management and internal controls including internal audit, internal control reviews, CFO services, CIO services (IT security, IT strategy, IT due diligence and IT assessment).

Mergers & acquisitions

- acquisitions
- fundraising
- disposals
- management buy outs,
- management buy in.

Transaction advisory services

- due diligence
- pre and post deal services
- bid support
- public company reporting.

Valuations

- executing business
- company
- share and asset valuations either for commercial or statutory purposes.

Recovery & reorganisation

Advisory to insolvent companies, restructuring advice to underperforming businesses, strategic performance reviews, exit strategy services and merger & acquisition advice.

Other services

IT assurance

IS auditing standards, guidelines and procedures (ISACA), ITAF

Outsourcing

Our services range from the setup of accounting systems and regular account maintenance to provision of interim reviews of accounts and preparing budgets and periodic reports. As accountants we also prepare year-end financial statements and all tax returns.

Legal and policy

Our advice involves a wide spectrum of corporate legal consultancy. We advise on incorporation and liquidation matters, legal representation, litigation, ad-hoc legal advice, provision of legal opinions, execution of due diligence and structuring deals from a legal viewpoint.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
