### Who we are

Grant Thornton Honduras is one of the four largest accounting firms in the country. The firm provides an array of integrated services, customised to the needs of each client in the areas of internal controls auditing, financial auditing, tax accounting, and information systems consulting, among others.

### Where we are

We have two offices in San Pedro Sula and Tegucigalpa.

### How we work

We are committed to helping companies grow and assisting their management to reach their personal and business goals by providing practical, customised solutions and identifying and pursuing business opportunities domestically and internationally.

### What we do

We meet the highest standards of professionalism which plays a pivotal role in how our firm is structured. The firm functions within a well-established code of conduct, focused on living up to the commitment of achieving excellence.

### Why Grant Thornton

We ensure the highest level of satisfaction for our clients through our commitment to quality, promptness and professionalism in each of our services. We serve our clients' needs providing them a full array of services that support the growth of their business, delivered by a first-rate professional team, highly-qualified and committed with Grant Thornton's values.

### Our clients

Our portfolio is composed of both local and international clients from various sectors, including: public sector and development and funding agencies, commerce, construction, manufacturing, industrial, services, finance, agriculture, etc.

### Awards we've won

We have been awarded a Grade A qualification from the National Banks and Insurance Commission. We are members of JUNTEC (Board of accounting and audit standards) and AFA (Association of audit firms).

## What we do

### Assurance

Auditing of financial statements, operational audits, controls audits, mergers and acquisitions, due diligence, periodic internal audits, auditing for international organizations such as BID, USAID, the World Bank, ONGs etc, as well as governmental organisations.
