Offices	3	726

*As at 30 September 2015

Where we are

Our offices are located in Budapest and Győr.

How we work

Our consultants are specialists for the Central European area.

Right from the start of any assignment we focus on an individual approach. We provide a personal touch which means you will have a personal consultant on hand whenever you need advice, not an anonymous team.

In order to best solve your problems we combine many years of international experience with knowledge of the local market.

Why Grant Thornton

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, forward looking advice.

Our clients

We serve dynamic, growing companies that are on the move because we too are a dynamic, growing company. We provide our services to many different industries like construction, textile, automotive, property management, financial industry, food sector etc.

What we do

Grant Thornton Hungary offers the following services:
