Mickey Blumenthal
 Co-managing partner

"Our goal in 2015 is to continue to provide high quality services to our clients and help them and our people, unlock their potential for growth. We are doing this in all areas of the services that we provide: from audit and assurance to business risk services and business advisory and consulting. We enjoy the challenges of helping businesses grow their potential for success."

Mickey Blumenthal

Who we are

Fahn Kanne & Co. Grant Thornton Israel is the sixth largest CPA firm in Israel. Our clients are from all industries in the Israeli market - from the not-for-profit sector to the highly competitive hi-tech sectors. The firm employs a professional staff of approximately 260 including 17 partners who, over the years, have amassed extensive experience in the fields of auditing, tax and advisory services, in both the academic and the business worlds.

Where we are

While Israel is located geographically in the Middle East, we are considered to be a European country. Our head office is located in Tel Aviv and we have branches in Haifa and Jerusalem.

How we work

We are large enough to take on the most demanding of projects, but operate in a flexible and responsive way through listening and responding to our client's specific needs rather than implementing a 'one size fits all' approach.

The services we provide to our clients are based on an in-depth understanding of the client's organisation and its business environment, together with a high level of partner and senior manager involvement.

What we do

We provide a range of services including:

Assurance

- audit of public companies listed in Israel and abroad
- agreed upon procedures audit
- expressing expert opinions
- fundraising and capital issuances
- other audits and certifications
- preparation of financial statements according to IFRS
- statutory audit of annual financial statements.

Tax

- corporate tax
- employer solutions
- expatriate tax
- indirect tax
- international tax
- personal tax
- transaction tax
- transfer pricing.

Advisory

- business risk services (BRS):
 - internal audit
 - risk assessments and risk managements
 - Sarbanes Oxley Act implementation
- corporate finance
- forensic & investigation services
- mergers & acquisitions
- public sector
- recovery and reorganisation
- transaction advisory service
- valuations.

Other services

- assistance in recruiting grants from governmental funds in Israel and abroad as well as from bi-national funds
- assisting companies in preparation and submission of tender bids
- CFO outsourcing
- trusts.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 40,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
