### Who we are

Bernoni Grant Thornton is the brainchild of Giuseppe Bernoni. The firm was founded in 1961. It later became an association of practitioners which, at the time, was a totally new approach to the accounting profession in Italy. The firm delivers a wide variety of services, ranging from tax and legal to advisory services. Outsourcing services are also provided.

### Where we are

We have offices in Milan, Padua and Rome, as well as staff locations in Trento, Turin and Trieste. We are strategically placed to serve our clients where they run their businesses and need us most.

### How we work

A thorough understanding of each client's business and a timely response to its needs alongside an integrated and highly-qualified approach to every issue drive the firm's handling of each assignment. Cohesive team-working and attention to detail are further distinctive features of the firm's style.

### Why Grant Thornton

Because we take a holistic approach in serving our clients, ensuring a comprehensive grasp of their needs. We provide an integrated set of services ranging from tax to legal, from advisory to outsourcing. We combine the international reach with a deep understanding of the domestic market.

## Our clients

Our client portfolio includes small and medium enterprises (SMEs), privately held businesses and some listed companies, many of which have interests in foreign market. Our clients operate in energy and cleantech sector, chemicals, fashion and design, food, media and publishing, financial services and insurance, construction & engineering, public services and IT, to name but a few.

## Awards we've won

Bernoni Grant Thornton was named "Best International tax firm" in Italy in 2011 at the first edition of the International award "*Premio Internazionale Le Fonti*".
