Gurgen Hakobyan
Managing partner

"Over several years Grant Thornton firms in the region have been actively involved in the development of our network's presence in Kyrgyzstan, securing wins in the market, which resulted in the formation of a member firm with permanent operations in the country. At Grant Thornton we take commitment to bring added value to our clients through our professional services, helping them identify and reach their growth targets."

Gurgen Hakobyan

Who we are

Grant Thornton Kyrgyzstan offers personalised partner-led services which conform to the highest professional standards. We serve the needs of public sector and growth-oriented dynamic businesses. We are part of Grant Thornton, one of the world's leading organisations of independently owned and managed accounting and consulting firms.

Where we are

The firm operates in the Republic of Kyrgyzstan through its permanent office in Bishkek.

How we work

Grant Thornton is a multi-professional group of public accountants and auditors, advisors in finance, business and management. We unite both experienced international and local professionals to offer outstanding services to our clients.

Supported by the depth of the international structure, the strength of the brand and the high standards of quality in the network, we deliver services, which meet the high expectations of our clients.

Why Grant Thornton

Grant Thornton is a blend of international and local capabilities, sector specific expertise, quality people and growth oriented approach. We spare no effort to gain in depth insight into the client's business, identify areas requiring special attention and opportunities with potential, providing solutions that will lead them to growth.

What we do

We provide audit, in-depth professional consulting services and advice to enterprises, banks, and financial institutions, government bodies, local and international dynamic organisations.

Assurance

- audit of financial statements prepared according to International Financial Reporting Standards (IFRS), US GAAP and other financial reporting frameworks
- review of financial statements
- agreed upon procedures
- IT assurance (IS Auditing Standards, Guidelines and Procedures (ISACA), ITAF).

As statutory auditors we prepare reports to shareholders as required by the law and attend the annual meetings of shareholders.

Tax

We advise our clients on all aspects of corporate tax strategy development and tax planning, tax issues arising from the formation or acquisition of a company, we provide an overview of local and international perspectives.

Advisory

Operational advisory

- Business risk services - special attestation services, internal audit, governance and risk management, risk modelling services
- Business consulting services - operational improvement, change and program management, IT management, business intelligence & analytics

Transactional advisory

- Transaction services - M&A advisory, due diligence, valuations, capital markets: acting as nominated advisory or sponsor
- Restructuring and recovery - advisory on corporate restructuring

Dispute management advisory

- Forensic investigations - digital forensic services: data analytics

Other services

Outsourcing services

range from set up of accounting systems and regular account maintenance to provision of interim reviews of the accounts and preparing budgets and monthly or quarterly reports. As accountants we also prepare year-end financial statements and all tax and social contribution returns.

Legal advisory

involves a wide spectrum of corporate legal consultancy ranging from incorporation and liquidation matters, legal representation, litigation, ad-hoc legal advice, provision of legal opinions to execution of due diligence and structuring deals from a legal viewpoint.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
