# Mauritius

*"We are confident of our expertise in dealing with our clients locally and overseas. Our expeditious response to clients' needs always makes us stand out in any assignment."*

*It is this one-to-one service that our clients appreciate most as we are always available to provide solutions to their problems without compromising our independence. As a facilitator, we help them to grow."*

**Sattar Hajee Abdoula**  
Chief executive officer

### Who we are

Grant Thornton Mauritius was established in 1999. The firm excels in the professional services that it offers. Grant Thornton Mauritius is part of the Sub-Saharan African region and is ideally positioned to facilitate clients' expansion plans in these countries

### Where we are

We have one office in Ebene, Mauritius

### How we work

We approach all assignments by combining international experience with local business and technical expertise. Our success is attributed to the professional experience and skills of our partners, consultants, managers and supporting staff, who consistently ensure that the highest standard of service is delivered at all times.

To achieve our vision, we capitalise on our strengths by embracing the following guiding principles:

- universal respect for firm policies and employees
- fierce commitment to integrity
- professionalism, excellence and leadership in our profession and the business community.

We also conduct major assignments in the African regions such as:

- Burundi
- Ghana
- Madagascar
- Rwanda
- Seychelles.

We work in close collaboration with other local professional firms.

### **What we do**

We provide a range of services including:

#### **Assurance**

- audit

#### **Tax**

#### **Advisory**

- business risk services
- recovery & reorganisation
- transaction advisory services.

#### **Other services**

- education and training
- internet intelligence

IT security audit and IT consultancy.

### **Our global organisation**

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
