Andres Ropert
Managing partner

"The prestige, quality and experience of our Firm joined together with our values with which we live and work - seeking to mark a difference every day. Our professionals generate a long term relationship with our clients allowing us to focus on their specific needs and what matters to them. Our relationships are based on confidence and confidentiality. We act with integrity, transparency and responsibility inside the frame of our global values."

Who we are

We are an audit, tax, advisory and outsourcing firm with experience in the Peruvian market since 1979. We joined Grant Thornton in October 2010.

Our professionals are committed to build a long term relationship with our clients, this requires that our services are based on real client needs and their uniqueness.

Where we are

We have one office in Lima, the capital of Peru, and is located in the financial business district.

How we work

Our commitment to clients means offering a quality service, working effectively and above all, responding to their needs.

Why Grant Thornton

We invest in our staff resources and energy in dynamic organisations. We are more proactive, providing an in-depth analysis and ideas, according to the changes our clients must face and we treat them as an organization that requires a commercial and technical approach.

We work with consultants who understand dynamic organisations.

Our clients

We offer our services to both public and privately held companies, from medium to large sized businesses.

We are currently ranked sixth amongst Peru's audit firms, with a staff of 120 people, and listed in the PCAOB. We are also one of the five Grant Thornton International Business Centres of Latin America.
